Wintery Weather

In the case of wintery weather, PBCCS follows the closure and delay schedule of Crook County School District. On occasion we will make a different decision to reflect the needs of our school and community. Our priority is always student and staff safety. We also consider the importance of having children in school to learn and grow. PBCCS will make decisions about closures and/or delays by 5:30 AM. Information will be communicated online and through TV and radio stations thereafter.

We recognize that many of our parents work and it is an inconvenience and loss of income to take a day off to stay home with students. In inclement weather, PBCCS respects your decision to bring your student(s) in later or keep them home for the day.

Lastly, when weather permits, we think it is beneficial for our students to be outside for recess. Please send your child to school with warm clothing for playing outside. Coats, hats, and gloves make playing outside when it's chilly a fun time for everyone!
