## Personal Health | Music & Art | Place Based Education

---

Greetings, Hawks! During the month of February, students will be engaging in a K-5 health unit focused on teamwork. Students will engage with the teamwork unit through the following topics, with some of our virtue of the month, **Loyalty**, mixed in:

- “What I Like About You” - Compliments for teammates/classmates strengths
- Caring for Teammates - Watching out for our teammates/classmates
- Responsibility Rocks - We each need to do our part in our classes, school and families
- Team Puzzles - Working together to solve problems

Thanks for supporting your students in learning these life skills that serve a lifetime!

### Art and Music with Mrs. Rhoderick

Do you love being outdoors? Do you love digging in the dirt? Are you curious about how plants and vegetables grow? Are you in 2nd, 3rd, 4th, or 5th grade?

If you said yes to any of those questions, Garden Club just might be right for you!

**Every Monday from March 30th-June 1st, join Mrs. Rhoderick right after school for an hour of gardening! Parent pickup at 3:30pm.**

I am so excited to get this new club up and running here at PBCCS! Programs like this are only possible through the continued enthusiasm and support of our community.

**I will email sign up information by March 1st!**
