Exercise-a-thon, February 13!

We are so excited to celebrate our 37th Annual Exercise-a-thon on Thursday, February 13!

The Exercise-a-thon is a student-centered fundraising event. Students collect donations in support of their participation in 100 minutes of exercise. All funds raised **directly** benefit PBCCS students. Your dollars will help to continue the enrichment opportunities that we believe are so valuable to each child's education: **physical education, music, art, place-based field work and activities.**

At PBCCS, fundraising doesn't just fund "extra" - it is necessary to keep our programming running! As a public charter school, PBCCS receives 17% less per student funding than other public schools. For this reason, our programs rely upon our ability to raise funds from outside sources.

We encourage all of our Hawks and Hawk families to participate! Our goal is to exceed our earnings from last year and raise \$18,000 through our Exercise-a-thon. Your support is needed to help meet our goal!

2020-21 Enrollment

Open enrollment for the 2020-21 school year begins on February 15 and closes on March 15. To enroll your current student in the 2020-21 school year please ensure you have completed an **Intent to Return** form. **One form is required for each individual student.**

To help with our lottery process, we ask you to note any siblings not currently enrolled at PBCCS, who will be applying for the 2020-21 school year. All new students, including siblings **MUST** complete an application during the open enrollment period between February 15- March 15.

Intent to Return forms are due to the office by February 7.

PBCCS Students are the BEST!!!

Congratulations January BEST Award winners for the important virtue of COURAGE.

The February virtue is LOYALTY. Loyalty at school means aligning ourselves in firm and constant support of school values in order to be agents of change and betterment in this community. We encourage you to have a conversation with your child about this virtue and what it looks like at home and at school.

Immunization Due Date: WEDNESDAY, FEBRUARY 19

Wednesday, February 19 is immunization exclusion day this school year. This means that your student's school immunization record **must** be up to date with all required immunizations in order to stay in school. Letters were mailed in December if your student is missing immunizations. Please return these letters with the dates of shots that were given. For questions or a duplicate letter, please contact Mrs. Townsend in the front office.

PTO News!

Mark your calendars to attend these upcoming family-fun events!
