

March 17, 2020

5:32 PM

Good afternoon PBCCS Families,

Oregon schools just received communication from the Oregon Department of Education that Governor Brown has ordered that public schools remain closed to students from March 16, 2020 through April 28, 2020.

We will be working with the Oregon Department of Education to ensure that we continue to deliver educational and learning opportunities to support our students during the closure. The PBCCS staff will be working to develop online and remote learning opportunities. Our plans will include a variety of strategies for students to continue learning and connect with their teachers and school staff. We will continue to rely on the guidance of the Oregon Department of Education, public health authorities, and the Office of the Governor as we work through this process.

Many details have not been communicated, so please stay tuned for more information. We are committed to communicating with our PBCCS community with consistency and transparency as we deal with the challenges and uncertainty of this situation.

We cannot thank you enough for your patience, cooperation and support!

Best,

Mrs. O'Shea
