

March 18, 2020

Remote and home learning is challenging! We recognize this work is hard and stressful for both kids and parents and we **thank you** for your patience and support. Oregon schools have been tasked with continuing to provide education and learning opportunities for our students through the closure. PBCCS is working very hard to create procedures and systems to make learning meaningful for students and feasible for parents. Teachers will be working this week and after Spring Break to get the next steps of our remote learning plans in place. More information about how we are moving forward with education will come after Spring Break. We ask that you do the best you can through the month of March and appreciate your willingness to partner with us.

PBCCS will send out a survey on Monday to help guide our planning. Please help us by providing your input. We encourage you to reach out to your classroom teachers with any questions. Teachers are most easily reached by their school email and are happy to follow up with phone calls as needed.

Check out the attached suggestions to help guide you and your child for success in remote learning. Today's tip is to ***Stay Positive - Transitions Take Time.***

The PBCCS office will be open the days and hours listed below. Please reach out if there is anything you need. We are here to help and support students and families!

PBCCS Office Hours

Friday, March 20: 8:00 AM - 1:00 PM
