

**HELP US RAISE \$15,000!**

**35th Annual Exercise-a-thon  
February 14, 2018**

---

At PBCCS, fundraising doesn't just fund "extra" - it is necessary to keep our programming running!

As a public charter school, PBCCS receives 17% less per student funding than other public schools. For this reason, our programs rely upon our ability to raise funds from outside sources.

Our goal is to exceed our earnings from last year and raise \$15,000 through our Exercise-a-thon. Your support is needed to help meet our goal!

You may be asking, ***what is the Exercise-a-thon?*** The Exercise-a-thon is a student-centered fundraising event. Students collect donations in support of their participation in 100 minutes of exercise.

All funds raised ***directly*** benefit PBCCS students. Your dollars will help to continue the enrichment opportunities that we believe are so valuable to each child's education: ***physical education, music, art, place-based field work and activities.***

Your donation can make provide amazing opportunities for PBCCS students:

- \$50 = a class art project
- \$100 = a month of after school coding classes
- \$150 = an overnight field trip for one student
- \$200 = one full day class field trip
- \$250 = PE for all students for one day
