

## **Talented and Gifted - Programs and Services**

A written plan will be developed for programs and services beyond those normally offered by the regular school program. All required written course statements shall identify the academic instructional programs and services to be provided which accommodate the assessed levels and accelerated rates of learning in identified talented and gifted students. The administrator will assist in removing administrative barriers that may exist which restrict a students' access to appropriate services and will assist in developing program and service options.

The Board has established an appeals process for a parent to utilize if he/she is dissatisfied with the programs and services recommended for their student that has been identified as talented and gifted, and wish to request reconsideration. The appeal process is identified in administrative regulation IGBBA-AR.

The Board has established a complaint procedure to utilize if a person has a complaint regarding the appropriateness of programs and services provided for a student identified as talented and gifted. This complaint procedure is identified in IGBBC-AR
