
Workplace Harassment Reporting and Procedure

Any PBCCS employee who believes they have been a victim of workplace harassment may file an oral or written report consistent with this administrative regulation, may file a report through the Bureau of Labor and Industries' (BOLI) complaint resolution process, or under any other available law.

Additional information regarding the filing of a report may be obtained through the administrator.

All documentation related to workplace harassment complaints may become part of the personnel file of the employee who is the alleged harasser, as appropriate. Additionally, a copy of all workplace harassment reports, complaints, and documentation will be maintained by PBCCS as a separate confidential file and stored in the school office.

Investigation Procedure

The administrator or designee is responsible for investigating reports concerning workplace harassment. The investigator(s) shall be a neutral party having had no involvement in the report presented. If the alleged workplace harassment involves the administrator, the employee may report to the school board chair. All reports of alleged workplace harassment behavior shall be investigated.

The investigator shall:

2. Provide information about legal resources and counseling and support services, which may include public charter school-provided assistance services available to the public charter school employee;
3. Provide a copy of the public charter school's Board policy GBEA - Workplace Harassment and this administrative regulation to the public charter school employee; and

Step 1 Promptly initiate an investigation. The investigator will arrange such meetings as may be necessary to discuss the issue with all concerned parties within five working days after receipt of the report. The parties will have an opportunity to submit evidence and a list of witnesses. All findings of the investigation, including the response of the alleged harasser,

shall be reduced to writing. The investigator shall notify the complainant in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law.

A copy of the report, complaint, or other documentation about the incident, and the date and details of notification to the complainant of the results of the investigation, together with any other documentation related to the workplace harassment incident, including disciplinary action taken or recommended, shall be forwarded to the administrator.

Reports involving the administrator should be referred to the Board chair on behalf of the Board. The Board chair will cause the information¹ required to be issued to the complainant as described in this administrative regulation. The Board chair shall present the complaint to the Board at a Board meeting. If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. The Board may hold the hearing in executive session if the subject matter qualifies under Oregon law. The Board shall decide, within 30 days, in open session what action if any is warranted. The Board chair shall notify the complainant in writing within 10 days that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law.

Follow-up Procedures

The administrator will follow up with the school employee of the alleged harassment once every three months for the calendar year following the date on which the report was received, to determine whether the alleged harassment has stopped or if the employee has experienced retaliation. The administrator will document the record of this follow-up. The administrator will continue follow-up in this manner until and unless the employee directs the administrator in writing to stop.
