

Powell Butte Community Charter School
October 13, 2021

Thank you!

We enjoyed seeing everyone at our open house events. Thank you for joining us.

Middle School Boys Basketball

Crook County Middle School Boys Basketball sign-ups are open now! Practice starts Monday, October 25. Contact Crook County Middle School at 541-447-6823 for more information.

HALLOWEEN @ PBCCS!

We love to celebrate the season at PBCCS! Students are invited to **wear their costumes to school on Thursday, October 28**. Please follow these costume guidelines at school:

- Make sure you can wear your face covering WITH your costume. Costume masks are not a substitute, please leave them at home.
- Be comfortable! Please choose a costume that you can learn and play in ALL DAY at school. You need to be able to sit, walk, run, breath, see and hear in your costume! And remember, wear comfy shoes for P.E. and recess.
- Leave props such as sticks, masks, weapon-like items, and canes at home.
- Fake blood and face paint is not allowed.

We can't wait to see the Halloween costumes our creative and innovative Hawks come up with!

October Calendar & Lunch Menu

The October calendar and lunch menu are available [HERE](#).

Please note: There may be last minute changes to the lunch menu due to distribution challenges.

Mark your calendars . . . FALL CONFERENCES!

- **WEDNESDAY, NOVEMBER 3 - 8:00 AM - 8:00 PM**
- **THURSDAY, NOVEMBER 4 - 8:00 AM - 8:00 PM**

Fall conferences are a time for parents, teachers and students to discuss each student's growth and progress towards academic standards and set goals for the future. Because these meetings address all areas of student learning, we always recommend that students attend the conference with their parents.

Conferences may take place in-person or virtually. Please look for an email from your child's teacher to schedule your conference time. We look forward to continuing to work in partnership with you!

At-A-Glance School and District Profiles Released for 2020-21 School Year

The Oregon Department of Education released *Adapted At-A-Glance School and District Profiles* for the 2020-21 school year. The At-A-Glance School and District Profiles provide a quick and comprehensive approach to evaluating and measuring a school and school district's impact on students.
