HAPPY NEW YEAR, HAWKS!

Hawks Community Food Project!

Thank you all for participating in the Hawks Community Food Project! PBCCS families and community members donated over 85 blue bags full of food and household items. All of your donations go directly to Project Love at the Powell Butte Church to support families in need in our community. Thank you for your generosity and support!

Wintery Weather

In the case of wintery weather, PBCCS follows the closure and delay schedule of Crook County School District. Our priority is always student and staff safety. Decisions about weather closures and/or delays are typically made by 5:30 AM. Information will be communicated online via email and social media.

When weather permits, we think it is beneficial for our students to be outside for recess. Please send your child to school with warm clothing for playing outside. Coats, hats, and gloves make playing outside when it's chilly a fun time for everyone!

Intent to Return 2022-23

Planning for the 2022-23 school year has begun! While so much in the world is uncertain, PBCCS plans to be here for you and your child in the 2022-23 school year and beyond!

If your child is planning on returning to PBCCS next year, please submit this [2022-23 INTENT TO RETURN FORM](#) by Friday, February 11.

We encourage all current families to complete the Intent to Return form, so that you do not lose your enrollment spot at PBCCS. If your plans change in the future, you can notify the office at your convenience.

January Virtue: Courage

January is a good month to focus on courage and bravery. Courage is a big virtue! Courage has physical, moral, civic and intellectual elements that we all need to engage at times. This month at PBCCS, students are setting some personal "courageous goals" that will encourage them to be stronger, prouder, more independent people and students. We look forward to teachers celebrating the courageous efforts of students during the class BEST awards at the end of the month.

Upcoming:
