### Spring Conferences

Mark your calendars! Spring conferences are coming up on April 6 & 7. Conferences are a time for parents, teachers and students to discuss each student's growth and progress towards academic standards and set goals for the future. Students play a HUGE part in our Spring conferences, so please plan on your child attending the conference with parents/families.

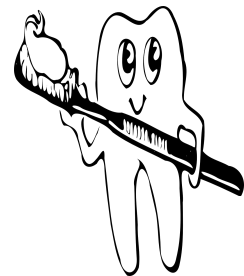

***Please look for the email from your child's teacher to schedule your conference time.***

Conferences will take place in-person at PBCCS. If you would like to make other arrangements, please contact your child's teacher. We look forward to continuing to work in partnership with you!

### Dental Services

PBCCS has partnered with Advantage Dental to provide on-site dental services for students. These services are free, but parents are required to work directly with Advantage Dental to select services and service dates. These services are provided by dental hygienists and do not replace regular dental care from a dentist.

Please complete and submit this [form](#) *only if you would like your child to receive dental services from Advantage Dental during the school day.* Mrs. Foley will follow up with you with the appropriate paperwork.

### High School Visits

Current 8th grade students have a few more opportunities to visit local high schools in the coming weeks. To reserve a spot at Crook County High School's CTE Day for incoming freshmen on April 6th from 9:10-11:30am please email [nbennett@powellbuttecharterschool.org](mailto:nbennett@powellbuttecharterschool.org). To reserve a spot at Redmond High School's incoming freshmen tour on April 8th from 11:00-1:45pm please email [nbennett@powellbuttecharterschool.org](mailto:nbennett@powellbuttecharterschool.org). Both CCHS and RHS visits are on non-school days and students will need to arrange transportation. All 8th graders will visit Redmond Proficiency Academy on April 15th during the school day.
