## ~ PARENT CONFERENCES SET FOR APRIL 12-14 ~

Are you a planner? Our spring parent conference dates are April 12-14.

There will be no school for students on these dates.

# STAFF PROFILES:

## Mrs. Dove and Mrs. Urell - Our Food Service Staff

Our food service staff, Mrs. Dove and Mrs. Urell, do a great job of supporting our students each day! Not only do they serve up some important meals to our students (breakfast and lunches), they also create a positive and caring environment in our cafeteria.

Both are flexible and willing to support students should they have a question about something, or need to make adjustments to what's being served. We appreciate the important service they provide our students.

## PARENT MEETINGS FOR OVERNIGHT TRIPS (GRADES 4-8) COMING UP

If you are a parent of a student in grades 4-8, part of the learning experience at PBCCS is an overnight trip sometime in May/June. These trips take a lot of planning and communication. Our staff would like to tell you more about these trips, and let parents know of the details. *For your convenience, we will be doing these trips conducted in-person and via Zoom. We will also be recording the meeting in case someone can't attend at the time.* For the dates:

- 4th & 5th Grade Parents: March 16th at 5:00 PM
- 6th-7th and 8th Grade Parents: March 16th at 5:30 PM

## PBCCS SCHOOL GARDEN

It's almost spring and that means the start of a new gardening year! For PBCCS, we have BIG plans for our school garden. Thanks to a garden grant and donations from parents and community businesses, we are laying the groundwork for the garden plots and having students work help out in the process. There is a lot of work and learning ahead and we are excited about making this garden space an important part of the learning at our school.
