FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years. Cohort Includes students who were first-time ninth graders in 2017-18 finishing in 2021-22.

District Goals

The Crook County School District's achievement is continuing to improve, and our graduation rate is in the top tier of Oregon's rankings. We are excited to see everyone's efforts reflected in students' outcomes. Standards are developed to articulate the skills required for progress from grade to grade. At parent-teacher conferences, you will receive a summary of your student's progress. Graduation is a K–12 journey. Thank you for your part. We know parental support and regular attendance help young people reach success.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
