

Greetings,

The Parents of PBCCS group, are proud to bring back the original fundraiser event *Lock, Stock & Barrel!* The Lock, Stock & Barrel Benefit Dinner and Auction has been a part of the Powell Butte community for over a decade, serving as one of the primary fundraisers for the school.

The evening will include Brasada's chef-prepared BBQ food, whiskey tastings, and a live auction at the Barn in Brasada Ranch. This is a great way to celebrate with parents, friends, and faculty, all while supporting the PBCCS mission and the future of the school.

Our goal is to raise \$40,000, and we believe that with your support, we can achieve this milestone together for the kids. Whether you have contributed in previous years or are a prospective donor, your support will benefit student enrichment programs as well as teacher mini-grants to fund projects and activities such as STEM lessons, classroom manipulatives, and multi-sensory learning tools, just to name a few!

Please save the date and join us at the Barn in Brasada Ranch on April 6th, 2024, for the biggest fundraiser of the year! Our event is expected to reach capacity quickly, so we kindly invite you to purchase your tickets online at your earliest convenience to be part of a fun cause promoting PBCCS.

Here's how you can help:

- Contribute an item or service and be acknowledged in all LSB publications. Please note that any gift certificate with an expiration date should be valid for one year from the date of the auction, through April 2025. Donations will be accepted until Monday, April 1st 2024. For auction donations, please contact Krista Utterback at 541-228-1165 or parentsofpbccs@gmail.com
- Become an event sponsor. For \$1500 you can have a reserved table for 8 (includes dinner and drink tickets. Limited availability!) Your company name will be listed prominently in all publications for LSB, leading up to and during the event. In addition, the value of your donation may be tax-deductible: Parents of PBCCS is a 501(c)(3) organization, tax ID #92-1736296
