● BEING NOTIFIED

After the lottery PBCCS will notify you within one week via phone or email regarding your student's enrollment opportunity with PBCCS, or their rank on the waiting list. Once an offer for enrollment is made, you have one week to accept. If you do not respond or decline within the week, your student will be moved to the decline list, and you must reapply. As we work through our waiting list, we may notify you over the summer or after school starts in the fall of enrollment opportunities. If an enrollment offer is made after August 15, or after school starts for the 2024/25 year, you must respond within two business days.
